

THE STAR PROJECT PhD SCHOLARSHIP

REPORTING REQUIREMENTS

A written report on the progress being made with your PhD Scholarship should be submitted to the Project Coordinator of the STAR Project by you six monthly from the date of the commencement of the award.

Please provide a brief (one page) report using the attached report template.

It is important that confidential or other sensitive information is not included in the reports.

Reports are to be submitted to the Project Coordinator of the STAR Project for review by the Director of the STAR Project on behalf of the Consortium Group. The reports will be filed for audit purposes.

Ongoing funding for your PhD will be dependent on the STAR Project Coordinator receiving the six monthly reports.

Any queries can be directed to the STAR Project Coordinator or Director.
